PROTECTION

Help to Ensure Your Family's Future

If something happened to you, would your family be financially secure?

Group Term Life insurance can help give your family the protection they need ... and deserve.

But how much life insurance is enough? To find out, begin by estimating your monthly expenses. Include mortgage or rent payments, car loan, medical expenses, utility bills, charge account bills and grocery bills — and don't forget the amount you save regularly for vacations and the children's college education. Then divide the amount of your present life insurance by your monthly expenditure. Please consult a professional financial advisor, as individual needs may vary.

According to LIMRA research, more than one in three U.S. families would have financial difficulty within one month of a primary wage earner dying. More than half say they would be in financial jeopardy within a year. Having enough life insurance coverage could protect families from this risk.*

Now, there's an insurance plan that helps give you the protection you may need at a price that's more affordable: the Term Life/Accidental Death and Dismemberment insurance plan. It's an economical combination of coverage that helps give you extra protection. Best of all, its reasonable rates can work for most budgets!

This plan lets you buy what you may need. Term life insurance with accidental death and dismemberment coverage built in to help strengthen your overall insurance protection. And with six coverage amounts to choose from, there's sure to be one that helps fit your needs — and your pocket book!

FEATURES Of Our Term Life Insurance Program

Six plans to choose from

The plan amounts you may select are determined by your age. Select your own plan of coverage beginning at \$402,000, \$281,400, \$201,000, \$120,600, \$80,400 or \$40,200 under age 25, and decreasing as you get older, according to the Benefit Schedule.

Accidental Death and Dismemberment coverage

The program provides an additional amount of insurance for accidental losses listed in the policy. The amount of Accidental Death and Dismemberment coverage you may receive is based on your age, the plan you select, and the type and/or severity or your loss. Check the benefit schedule for exact amounts. Accidental losses must occur within 365 days of the covered accident to be eligible for benefits. Accidental Death and Dismemberment Benefits are not payable for dependents of active members or retired member's coverage.

Eligibility

All active employees/members who are Actively-at-Work Members of California School Districts Teachers, School Staff, District Staff; and their legal spouse and dependent children are eligible to apply. **Your spouse may be insured for the same plan as you.** For an additional cost, you can provide additional spouse and children coverage by selecting the dependent plan: \$5,000 for your spouse under age 70 and each of your dependent, unmarried children age 6 months to 23 years (\$500 for those age 15 days to 6 months).

Eligibility Restrictions:

When a husband and wife are both insured:

a) coverage may not be duplicated by applying as dependents of each other; andb) coverage for Dependent Child may be requested by either the wife or the husband, but not both.

No Dependent Child will be covered unless either the Insured or Spouse is covered.

Terminations

Your coverage remains in effect as long as you pay the required premiums, and the group master policy remains in force. Spouse and family coverage ends when yours does, unless your spouse is no longer married to you and your dependent children no longer meet the eligibility requirements, or the date the Insured Person's plan of benefits or class is terminated, or the death of the Insured.

Premiums

Premiums are subject to change on a class wide basis.

Reductions

Benefits reduce as you enter new age category.

Affordable Group Rates

Premiums for this important program are economical because of the mass purchasing power of your group and the savings of standardized administration.

Definitions

Loss means: for a hand or foot, total, complete and permanent severance of all four fingers or entire hand above the wrist joint or the entire foot at or above the ankle joint; for thumb and index finger through or above the metacarpophalangeal joints; for loss of use, movement or total feeling in the arm including the hand, or in the leg, including the foot, and the loss is determined by a physician to be total and irrecoverable; for an eye, total and irrecoverable loss of sight; for speech and/or hearing total and irrecoverable loss of speech and/or hearing; for death, the direct result of a covered accidental bodily injury.

Injury means bodily Injury caused by an accident. The accident must happen while the Insured Person is covered by the Policy and must be the direct cause of loss, independent of sickness or other causes. All injuries to an Insured Person in a single accident are treated as one Injury.

Suicide Limitation

Death by suicide, while sane or insane is not covered for 24 months from the Insured's effective date. In such event the Company will only refund the premiums paid.

This provision will also apply if the Insured Person commits suicide during the two years immediately following an increase in coverage under the Policy. In that event, the amount of insurance payable will equal the amount of insurance inforce prior to the increase, plus an amount equal to the premium paid for the increase to the date of death.

Exclusions

Accidental Death and Dismemberment benefits are not payable for any loss caused directly by: intentional selfinflicted Injury or suicide while sane or insane; sickness including any medical or surgical treatment of sickness; infections, except pyogenic infection resulting from an accidental bodily Injury or from accidental ingestion of a contaminated substance; participation in a riot or insurrection; active duty as a member of any military, naval or air force; war or any act of war, declared or not; commission or attempted commission of a felony, assault or illegal action; voluntary use of any alcohol, drug or narcotic unless prescribed by a Physician and taken as prescribed; voluntary inhalation of any kind of gas including carbon monoxide; travel or flight in any aircraft except as a fare paying passenger of a commercial airline flying on regularly scheduled routes between definitely established airports; driving a vehicle while legally intoxicated according to the laws of the area where the accident occurred.

Retirement Coverage Provision

Guarantee Issue Benefit for New Employees

How to Apply

If you are a NEW employee, for 120 days following initial date employed, you are guaranteed acceptance under Plan 1 or Plan 2 and optional family coverage for your eligible dependents without evidence of insurability. That means you do not have to answer questions 1, 2 & 3. However, you must be actively employed on the effective date of your coverage. If you are enrolling for more than Plan 1 or Plan 2, or have been employed for more than 120 days, please complete the entire application. Your answers to the general health questions will help determine your insurability, so be sure your answers are correct and complete.

You must notify the Plan Administrator when you retire. You may continue your coverage under the retirement plan with no evidence of insurability. Your benefits under the retirement plan are based on your attained age and will reduce as you enter a new age category. Accidental Death and Dismemberment benefits are not payable under the retirement plan or for dependents of active members. Please contact your Plan Administrator at 1-800-722-3365 for more information.

Be sure to sign and date the application form, and if you are insuring your spouse, have him or her do the same. Detach, staple, and mail to the administrator. No postage needed. Send no money; premiums will be handled through payroll deductions, if available, or you will be billed later. You have 30 days to review your coverage after receiving your certificate. Please read it carefully. Make sure it's everything you expected. If you are dissatisfied for any reason, you have a right to send your certificate back to the insurance company, or to Pacific Educators, within 30 days of its receipt and your coverage will be cancelled with no questions asked. Acceptance into this plan is subject to medical evidence of insurability as determined by Fidelity Security Life Insurance Company®. Depending on your age, the amount of coverage you request, and your answers on the application, a medical examination, medical test(s), or other evidence of good health may be required. Any exams/tests requested by the company will be conducted at your convenience and at no expense to you

Effective Date

Coverage will become effective the first of the month following approval of your application by the underwriting company and receipt of your first premium payment.
